## ABOUT BARRELQ

The BarrelQ is an oil barrel that's been converted into a barbecue. Started in 2013 in Holland, BarrelQ is currently sold in more than 20 countries. In 2017 we proudly welcome 4 new models to the BarrelQ family. Each model is easy to operate and adds a special spark to your evening. In short: The BarrelQ is for grilling and chilling.

# BARRELQ ACCESSORIES

At BarrelQ we don't develop new accessoires just for the looks. They really need to add something to your barbecue experience. In 2017 we are launching our new water resitant covers and heat resitant aprons. As you can expect from us, only the best is good enough.

## BARRELQ COVERS

To serve and protect your BarrelQ. Our covers are 100% waterproof and made of high quality 600d polyester. Comes in both sizes for our original BarrelQ's.

## BARRELQ APRON

The BarrelQ apron is the only apron you should be wearing when grilling on a BarrelQ. The leather comes from The Netherlands, has a brown tan and a black finish. The straps are made of Italian cognac leather. All the studs and buckles are also from Italy and are completely nickel free. The apron can withstand sparks and heat.

# CUSTOM BARRELQ

Make your own customized BarrelQ, ideal for a marketing promotion, giveaway or personalized for your business or event. Possibilities are endless ranging from just your logo on the Black BarrelQ, to a different color and even fully customized designs. Contact our team to discuss your wishes and to get a sample design.
